Dear Mr. Vice President:

Speaking for all of the employees at CIA, I want to thank you for participating in the Cornerstone Laying Ceremony for our new building. As a popular former DCI, the employees were pleased that you would take the time to play a leading role in the Ceremony. We are proud of the building and look forward to its completion. This Ceremony marked a very important milestone in its construction.

Please accept our very best wishes and the trowel that you used in this historical event.

Warm regards,

*WJ Casey*
